

**PERSONALIZE MAILINGS
WITH A PROFESSIONAL LOOK**

Address Printer HJ990

The high-end, high volume solution for your addressing needs

Mailers looking for a tabletop address printer that combines unmatched flexibility and durability do not have to look any further than the HJ990. With its capability of single pass printing on a wide print area and addressing speeds up to 26,000 No. 10 envelopes per hour, the HJ990 provides incredible speed and versatility to your addressing needs. Designed with nine fixed print heads, the HJ990 can print on mail pieces that vary in size and thickness. Patented HP printing technology, combined with true 600 x 600 dpi print quality, guarantees quick, clean, professional printing of addresses and customized text that can increase mailing response rates. The HJ990's wide printing area and capability to print personalized messages means you can eliminate the cost and storage of preprinted envelopes. And for organizations looking to build a total addressing solution, the addition of a dryer unit, high-capacity conveyor and address management software makes the HJ990 a powerful tool to reach your mailing goals.

The HJ990 offers several valuable features and benefits:

- Print up to 26,000 No. 10 envelopes per hour
- Large 4.5" print area
- Accepts material as thick as 3/8"
- Spot color printing supports versatile messaging
- Intelligent Mail® bar code compatible
- Maximizes USPS® automation discounts
- Compatible with all mail management software programs

Enhance your mailings for better response with the Hasler HJ990!
